NOTES

These fees apply from 10 July 2023.

These fee estimates assume that the family is entitled to sufficient CCS hours to cover the hours of their booking per fortnight.

These estimates show the fees payable, after the 'CCS withholding' (5% of CCS for most families) has been deducted by Centrelink.

The 'CCS withholding' is paid back to families after Centrelink completes the annual 'balancing' process.

These estimates do not include the \$2,000 discount for children enrolled in the kindergarten program. The 'free kindergarten' subsidy reduces your fees further.
